WITH OUR BOYS IN SERVICE

Pfc. Phil Kearney telephoned to his parents Monday evening that he had landed safe and sound at Pittsburg, Calif., and would be home in a few days. He remarked that this is a cold country after spending more than two years in the tropics of the South Pacific.

Pfc. Charles Pierce, who was in the same furlough rotation camp with Phil Kearney wrote to his folks on October 22, and disclosed that he is still there, although he has been on the list since June 1 for a furlough. "Sweat it out, Charlie, it won't be long now."

It's Ph.M. 1/c Angelo Besio now. Yep, Ange rated a promotion after his hard service in battles of the Pacific. He is still at a rest camp in the Hawaiian Islands where he is enjoying himeslf and once a week indulges in a game of golf. He had received, opened and enjoyed his Christmas packages when he wrote but added that he didn't need any more pineapple juice, one of the presents sent. It seems pineapple is rather plentiful over there.

Mrs. Daryl Gaiennie spent several days in San Francisco this week to meet her SeaBee husband, who was slated to arrive. Monday she decided it was hopeless, and returned home only to be greeted with a message that Daryl had finally arrived and was in fact awaiting her. He had spent many months in the Pacific. Needless to say his mom and dad will be also very pleased to see him.

Sergeant Fred Kehlet formerly of Meeks Bay, has been on the "other side" in Corsica for more than a year. He wrote to his father, George Kehlet that he wished that the latter could have been with him on his trek to Rome and the Vatican City. With other soldiers he saw the Pope who blessed several rosaries for him.

Staff Sgt. Oswald Schmidt sent his air medal home to his sister, Miss Helen Schmidt of Reno, Nevada and has added an oak leaf cluster to it. The cluster designated a certain number of completed missions but he wants to keep going and get home to a good climate.

Adolph Schmidt, in the navy, also writes home but could not tell much except that he is not in combat duty present.

Henry Robles is expected by his parents, Mr. and Mrs. William Robles this week after more than two years of active naval duty. He was at Pearl Harbor when it was bombed by the japs three years ago.

Maxwell McGwinn is reported to be in California after several long months in the Pacific. McGwinn, who is in the navy, met Phil Kearney on the last day of their trip across and just before the ship landed.

A. E. (Red) Burlingham who has been enjoying a leave from the north country, rejoined his SeaBee unit at Camp Parks yesterday.

12 Killed When Train Wrecked

Twelve persons were killed and more than 100 injured, many of them seriously early yesterday morning when the Southern Pacific's crack passenger train, the Challenger, left the rails and plunged into a dirt embankment three miles west of Colfax.

The west bound 18-car train was operated by Engineer Fred Graham of Roseville, one of the dead. The fireman, Donald Hurley, escaped. The dead, who were not immediately identified, included the engineer, a WAVE, a sailor, a soldier, two civilian women, an infant and five men, it was reported by Coroner F. E. West, who took charge of the bodies. The injured were taken to all nearby hospitals as state highway patrolmen, military and civilian police kept order.

The names of the dead were not released yesterday.

PIONEER WEST TO BE DINNER MOTIF

Sun Beams

by WALTER M. BARRETT

The momentous 1944 presidential election is over after one of the most vigorously contested campaigns ever conducted in this country. And we certainly all should be pleased that we can now turn our efforts to other far more important issues at hand. Maybe your favorite candidate won or maybe he lost, but regardless of your personal feelings on the outcome, bear in mind that we are still a nation at war. We have a huge task to complete and we can't successfully finish it as a nation divided. Let's forget the campaign issues, as candidates themselves often do, and all join in winding up this damnable war as soon as humanly possible. The saving of priceless lives on the war front and curbing extreme profits of war on the home front, provide suitable motives for future campaigns and in these important campaigns we cannot choose sides. Let's let history of the election stay history and turn our thoughts and efforts to the future of America. And let's start now.

The recent storm and subsequent motor vehicle accidents should bear evidence that caution in driving for the next few months is important. Take it easy. A skidding car is a dangerous and uncontrollabel menace to the safety of the passengers and passengers of other cars. Don't speed.

With Christmas only a matter of a few weeks distant, gift lists no doubt are occupying some attention. In this regard may we remind you that Truckee merchants are prepared to help you in your selections with adequate stocks of seasonal goods at or below ceiling prices. With price regulation, it is hard to offer an argument that "I can save by buying out of town." Make it a point this year to do ALL your holiday buying at Truckee. After all, it's the local merchant who makes Truckee possible and with your cooperation they can make it even a better town.

FOUR INCHES SNOW FALL IN TRUCKEE

For the first time this year the rattle of skid chains on the pavement and the roar of the snow plows were heard when the first storm of the season swept in Monday to deposit four inches of snow in Truckee and approximately 10 inches on Donner Summit.

Chains were required throughout the days, but clearing weather soon dissapated snow annd traffic yesterday returned to normal, although a icy spots still remain and likely will remain the balance of the winter.

A steady downpour of rain was falling over the entire Truckee region today.

GRASS VALLEY MAN NEW HEALTH HEAD

The Nevada County board of supervisors at their November session appointed Dr. Vernon W. Padgett of Grass Valley to succeed the late Dr. Carl P. Jones as county health officer a position which pays $50 a month. Dr. Padgett took immediate charge.

PAPER TALK GIVEN AT ROTARY MEET

Herbert Mays, who has had many years experience in the paper manufacturing industry, gave an educational talk at the meeting of the Rotary Club Monday night. Mays has worked in the paper mills both on the Atlantic and Pacific coasts.

The club voted to help the P.T.A. in forming a 'teen age club here Johnny Ciaredlla was program chairman and T. T. Buell presided.

Pete Land of Loyalton and King P. L. Gottardi of Loyalton were visitors.

Moving—

Mr. and Mrs. Jack Pistoia of Sacramento were here this week visiting friends and moving household goods to the capital where they have purchased a business.

Sells Stock—

Mr. and Mrs. A. B. Polyanich have sold the complete stock of their Men's Toggery last week to an out of town concern. Mrs. Polyanich is planning to leave this week for San Francisco on business.

Return to Hospital—

Mr. and Mrs. Frank Powell, well known residents of Truckee, were again taken to the hospital at Nevada City for treatment last week.

Kiefers Write—

Mr. and Mrs. Rad Kiefer, formerly of Meeks Bay wrote from Sonoma and wanted to be remembered to all their local friends.

Mr. and Mrs. Dave Cabona went to San Francisco Tuesday to buy merchandise for their store here.

Officer Exonerated In Shooting After Fugitives Caught

Three Youths Captured In Bold Attempt To Escape Here

A coroner's jury Monday afternoon completely exonerated State Traffic Officer Kennett C. Kolb of Truckee in the fatal shooting of Robert Martine, 18, of San Diego, fugitive from the California Youth Authority detention camp near Benicia, killed during an attempt to escape from a stolen acr in the eastern section of Truckee Sunday night.

The jury held Kolb acted only in performanec of his duty and fired only after repeated warnings to halt went unheeded.

Companions Captured

Martine's three companions, also fugitives from the detention camp, were all rounded up Sunday night and Monday after their bold attempt to evade arrest. The fourth member of the gang, Frank A. Ramsey, 19, of Quincy, convicted on a burglary charge, was arrested in Sierraville Monday afternoon by Constable George Banks, and Sergeant H. B. Fowler and Patrolman T. F. Sheehan were called to take him to the jail at Auburn.

Others in Nevada City

Alvin Croslin, 17, was captured by Sheehan and Kolb a mile or so east of Truckee soon after the shooting and Donald Morrison, 17, Los Angeles was arrested near the S.P. depot in Truckee by Patrolman William Gautsche as the former attempted to stop a car going east for a ride.

Damaged Telephone Station

It was believed yesterday that Ramsey, who was taken at Sierraville, stopped at the Paicfic Telephone and Telegraph Company's substation just north of here near the Hobart Mills road where it was indicated he went through a side window with the aid of a hack saw, later found in one of his shoes, broke an inner door and built a fire on the floor of the structure. He evidently stayed there all night and left by way of a rear door, left open, and caught a ride to Hobart Mills with Frank Clark of Truckee, who was unaware of his passenger's identity. From Hobart Mills, the youth hiked through the wet woods and brush to Sierraville where he walked into a hotel to get warm.

Patrolmen Kolb and Gautsche are investigating the damage at the substation.

Several Warnings

Martine was shot just under the heart by Kolb after the four youths failed to heed repeated warnings to halt after they stopped the stolen car on the Reno road in the east part of town, and fled in all directions.

Teletype Warning

With a state teletype message advising the use of extreme caution in apprehending the boys, said to be armed, Kolb and Sheehan were parked in the patrol car near the Associated Station in Truckee Sunday night checking cars as they passed.

A car stolen a short time earlier from William McKean, Jr., at Colfax passed and the officers gave chase.

Shot are Fired

As the car sped up the Reno road, Sheehan fired twice over it and the car stopped suddenly, the fugitives jumping out on the run. Sheehan fired two more shots of warning before Kolb fired point blank at the fleeing Martine, dashing in the direction of the grammar school.

Morrison, who was near Martine, dashed to a nearby vacant house and hid under the porch until the crowd attracted by the shooting had gone and the body removed by Constable N. F. Dolley, who aided in the search later. Morrison then crawled out and returned to the heart of town where he was sighted and arrested by Patrolman Gautsche.

In the meantime Croslin had gone on east where he was stopped by the patrolmen near the airport road.

Officials Arrive

Inspector H. E. Blackwell and Captain Earl Personious of Sacramento and Captain George Peterkin of Roseville, Patrolman Lynn Lardiner of Colfax and Patrolman Earl Crane of Baxter, all came to Truckee to aid in the search and make an investigation of the affair.

Escaped Friday

The boys escaped from the camp at 7:30 o'clock Friday night and en route to Truckee are alleged to have stolen at least three cars.

MOTORIST WARNED TO CARE FOR MILEAGE RECORD SLIPS

"Take good care of the mileage record, the slip of paper enclosed with your A gasoline book."

This is the advise of Frank Gaiennie, chairman of the mileage panel of the local OPA board. Gaiennie said many applications for supplemental B and C gasoline are coming into the board without the mileage ration record. Those who have lost or mislaid this valuable reocrd may get duplicates at the board office.

Gaiennie said the mileage ration record is also valuable to A book holders who may need a special or supplemental allotment. Under the existing regulations, it is necessary to present the mileage ration record before gasoline can be given for any cause no matter how urgent.

MILK SHORTAGE MAY BE WORSE DURING WINTER

SACRAMENTO, Nov. 9.— (UP)— Milk concerns today were urged by the War Food Administration to buy only their "minimum needs" in order to insure a supply for children and the armed forecs during the next three months. E. L. Vehlow, WFA district agent, said a shortage of fulid milk which has affected California during the winter months of each year will be "worse this year."

Tahoe Schools

Mrs. Ruth Ables this week will take charge of preparing hot lunches for Tahoe school children, it being estimated 25 will be served daily.

November 99, the Battle of Cherbourgh and a Red Cross picture, At His Side; November 16, History of the Horse and Protoplasm; November 20, Thomas Jefferson and Montecello; November 29, Aluminum and Ever Since Eve. The pictures are shown at 1:10 p.m. and visitors are welcome. The films are provided by the audiovisual department of the Placer Union High School.

A meeting of parents, teachers and trustees of the school was held Sunday morning for the purpose of discussing matters pertinent to all with Mrs. Myrtle Gallinger conducting the meeting.

Mrs. C. A. Stoddard has received permission of the trustees for use of the auditorium November 11 at 7:30 p.m. when parents, teachers and the children of the Kings Beach district will be invited as guests of honor at an evening of entretainment tendered by the local school group. Tahoeites have enjoyed several such evenings at Kings Beach in the past. The public is invited.

WAR BOND DRIVE QUOTA IS HIGH

Harry Poole, executive chairman for the Sixth War Loan drive, at Grass Valley, has received word that the quota for Nevada County will be $613,000. Of this amount, $250,000 is desired in Series E bonds and the remainder to be subscribed for the coupon and registered issues.

It has not been announced what Truckee's share of this $613,000 will be, R. N. Little, local chairman said.

GRAZING DISCUSSED AT FOREST MEETING

Grazing and range betterment were discussed at a meeting concluded at Tahoe National Forest headqaurters Saturday. Acting Supervisor Harry Camp, Jr., stated that this is the first of a series of grazing meetings to be held on the national forests concerning improvements and use of the ranges.

FEWER DEER KILLED DURING PAST YEAR

SAN FRANCISCO, Nove. 2.—Deer tags turned in to the State Division of Fish and Game as of October 30, show that the kill this year is approximately 7,000 less than it was in 1941.

So far, 35,643 tags have been turned in, and a few still are being received daily.

IT PAYS TO ADVERTISE

TIRE QUOTA HIGHER BUT IS INADEQUATE

November quota of new passenger car tires, as allocated by the War Production Board will be 1,850,000— an increase of 150,000 over the October quota—the OPA announced.

"This quota is just about large enough to meet estimated November replacement demands by eligible C and B ration holders," Max McCullough, deputy OPA administrator for rationing said, but it is not large enough to enable boards to work off any of the back-log of 850,00 approved but unfilled applications for new passenger car tires," he said.

why JAPS wear thick glasses!

Better light for better Sight.

Remember how we used to advise about Better Light for Better Sight? Thousands of good parents took this advice...gave their boys lamps that made studying easier on the eyes. That good work is paying dividends now. Our American boys shoot faster and more accurately than Japs encumbered with thick glasses..... Keep up this good work, parents. For the young ones at home now provide Better Light for Better Study Sight. Good lighting is so cheap it does not pay to skimp it.

TAHOE LETTER

To the Service Men

From SWANEE

November 5, 1944.

Dear Tahoeites:

Another Sunday has drawn to a close and tonight the temperature is decidedly chilly. Although clouds hovered about the sky most of the day and spotty shower occurred in the mountain areas, rain failed to reach the Tahoe district. The mountains, especially at the south end of the lake, are white with freshly fallen snow and old Mt. Watson, north of Tahoe City tonight looks like some giant hand had sprinkled it with powdered sugar. The first snow fall to the yard of our home in the Sunnyside district to remain any length of time, arrived Friday, bringing the first indication that old man Winter is checking in.

We made our trip to the Reno Air Base last week where Corporal George Weigand of the personnel department took son, Jimmie in hand and directed him through his final interviews with the higher-ups. We were much gratified when shortly after 2 p.m we learned he had passed successfully and is now a member of the army aircorps enlisted reserve. He will not be called, however, until after his 18th birthday which will be March 28. He took the exam just in time as enlistments for this branch closed October 31. Needless to say Jim is now blissfully contented.

Had a cheerful letter from Mrs. Claire Taber, daughter of Mr. and Mrs. Richard Kirman of Tahoe and Reno who wrote that her mother is ever so much better and is able daily to accomplish little tasks which had to be foregone during her recent illness. Her many friends at Tahoe will be happy to learn of her progressive recovery.

Also had a nice letter from my neighbor Mrs. John Kvistberg who is wintering with her Lt. Commander husband at Avalon. She was just recuperating from a month's siege of ful. Enclosed in her letter was a note from her grandson, Lt. Jim Easton which she gave me permission to use, but fortunately I had already heard directly from Jimmie. She may come marching in anytime this winter, she declared, as she is getting tired of Avalon.

CPO James Craig, who with his wife enjoyed a vacation this summer at the Floyd Carnell home, last week mailed to Howard Carnell a Japanese helmit inscribed inside with Jap writing, from his post in the Pacific. He shipped ont to that area a few days after leaving Tamoe and has seen extensive action. They live at Berkeley.

Another family to receive mementos from a distant land was the Andersons of Village Store, brother Jack Starratt receiving from sister, Kay, down in India, a quaint native container made of heavy bamboo filled with dainty handcarved letter openeds, a leather military emblem colored red, white and blue, two silk scarfs, ivory chopsticks and some tiny delicately carved ivory figurines. These articles have been on display all week at the store.

Have at long last received Sgt. Carl Brooks' new address and find he has been transferred to Langley Field, Virginia, where he has been "upped" to aerial engineer on a B24 bomber. His wife, Wanda, has returned to Kings Beach and her family to await word from her husband as to accomodations near the base. Maybe Carl will be among those crossing the big pond in the near future.

Have news too this week from the Henrikson brothers, Charles and Oliver. Chuck, a staff sergeant, writes Tahoe friends that he has finally arrived in southern France after an uneventful trip across. He's finding the new scenery quite interesting and doesn't mind the change too much. His brother has been transferred to Fort Wayne, Indiana from Bowman Field, Ky., and is anticipating a sea voyage before too long.

Ph.M. 2-c Raymond Duffee, nephew of the Matt Greens and the Joseph Duffees, has been given a permanent assignment at San Diego navy hospital, so his foreign service seems to have ended. He spent 18 months or more in the Pacific during the early days of the war.

Another Tahoeite who dons a uniform November 15th is Harvey Seickert, formerly of the Tahoe Park Ranger station. He signed up in Burbank and so will report there. During the past few months he has been working at the Reno Air Base, his wife, Betty and little son living at Reno. His family will remain with her folks, the C. A. Stoddards of Lake Forest, according to present plans.

Had another lovely note from Mrs. Ernest Hoerdler at Covina who plans to donate toward the Memorial wall at the Episcopal Chapel in honor of Jack Sanders, son of Mr. and Mrs. Joe Sanders, formerly of Truckee. The Sanders boys were frequent patrons of Hoerdler's Diner near Tahoe City in earlier days and they all became fast friends. Louella writes that daughter, Pat, reecntly married to Stanley C. Geddes of the air corps has found accomodations near Fort Sumner, N. M., just a mile from her husband's base and is quite happy in her new role as a war wife. The Hoerdlers assure me again they do enjoy the Sierra Sun so much and wish to send best wishes to all their Tahoe friends.

Mrs. Annie Soll of Pine Lodge, who visited briefly in Oak Park with her son in law and daughter, Mr. and Mrs. Louis Gerkin, also enjoyed with them a visit with former Tahoeites Mr. and Mrs. Harvey Hull at their lovely new home in Sacramento. All were well and the Hull's son, Dean has received another raise in rank in the coast guard. Send best wishes.

Want to take this opportunity before closing this week's confab to ask you boys scattered across the world, to please be a little patient if I haven't answered your latest letters. Have had a number of extra duties to perform recently and am having the house dolled up a bit before winter, but will get my correspondence caught up soon. Please keep on writing however, as your home town folks are always happy to hear the latest news from you.

Hope this finds you all in good health and spirits. Work hard—fight hard—play hard and pray hard and remember you are always in our thoughts and prayers. Good luck and good cheer from the folks back home and may God be with you always.

As ever, SWANEE.

MORE ABOUT SHOOTING OF FUGITIVE

Continued from Page One

All of the boys, according to the officers, have previous criminal records, ranging from armed robbery to auto theft. The dead boy, they said, was doing time for armed robbery in San Diego where he leaves a wife.

The coroner's jury impaneled by Coroner Alvah Hooper comprised B. W. Reynolds, foreman; Vivian Gregory, Bruna Guidotti, V. C. Shattuck, LeRoy Wilson, Stanley Zwarg, E. A. Parker, G. I. McGee, Bert Weeden and W. A. Loynd.

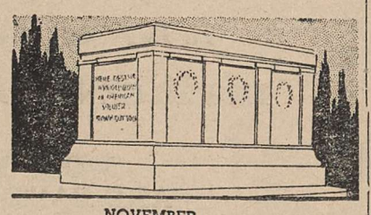

Hooper said that incidentally, this was the first time to his knowledge when women served on a coroner's jury, Mrs. Greogory and Mrs. Guidotti having the unique honor.

The Verdict

The jury returned the following verdict: "Robert Martine, 18 years, came to his death November 5th, 1944, on Trout Creek near Truckee as the result of gunshot wound inflicted by Highway Patrolman K. C. Kolk in the pursuit of his official duties while the deceased was attempting to escape after he had been ordered to halt."

The body of the dead boy was removed to Nevada City after the inquisition.
